

PERLA CHANDELIER

DESCRIPTION:

Inspired by the delicate form of an oyster shell, our Perla chandelier features six handmade glass shades, arranged in a branch-style configuration to create a graceful focal point.

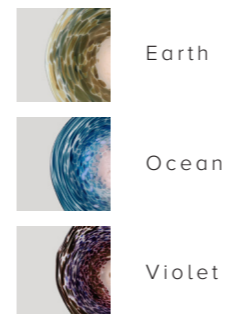

The glass shades are available in three nature-inspired tones and feature a soft LED light source at the centre, which is housed in an oval-shaped detail to ensure a seamless aesthetic.

The interconnecting branches of the chandelier come in three different finishes. The drop height of the frame can also be adjusted to tailor the piece to a scheme.
