

PERLA PENDANT

DESCRIPTION:

Inspired by the delicate form of an oyster shell, our Perla pendant features a handmade glass shade that is suspended from the ceiling using a braided fabric cable.

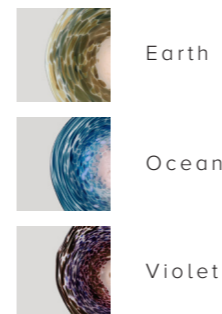

The glass shade is available in three nature-inspired tones and features a soft LED light source at the centre, which is housed in an oval-shaped detail to ensure a seamless aesthetic.

An elegantly versatile piece, the pendant can be used as either a standalone luminaire or as a cluster arrangement.
